DISTILLERY

At the edge of the Tasman Sea, where the old droving hut Iron House once stood watchful lies IronHouse Distillery. In that tradition, the distillery has created a premium range of spirits for all in which to indulge.

Their dedication is absolutely uncompromising and complex. Mindfully distilled within the confines of their copper still, it's the synergy between the purest local ingredients, the pristine waters and the cleanest ocean air of Tasmania's untainted East Coast that balance and mature their spirits perfectly. This is the saga of IronHouse.

## Strange Omen Vodka

37% ABV  
700ml

Exceptionally clean with a dangerously moreish hint of vanilla and caramels, this vodka when taken straight from the freezer is the perfect accompaniment to any seafood, especially caviar or oysters.

Delicate, yet exceptionally clean with a crisp creamy finish, it's perfect in any cocktail. We use the low wines from our vines to produce the clean spirit, thereby minimising wastage and confirming the source quality.

## Strange Omen Navy Strength Gin

59% ABV

700ml

A powerful, full flavoured and complex gin. Its name sake comes from the legendary seafarers of old and their love for a decent drop of gin.

Made for the Gin lover in us all, the full flavoured, strong finish is enough to compliment any cocktail but, we think, much like the sailors of old that it is best enjoyed by itself, a sipping gin if you will.
