MEDIA KIT

GAVIN RIMMER

A Personal Trainer by day, Gavin initially only picked up a guitar because he enjoyed singing, and thought it would be cool to accompany it with some chords. This soon became an obsession and fast forward to now, he is a regular on the Sydney Scene, admired for his ability, friendliness and cheeky banter.

While he's known and loved for his Oz Rock classics, Gavin has been known to bust out some indie and soul hits from time to time to keep it fresh.

Gavin has a passion for performing and is available for Covers Gigs, Corporate Events, Private Functions & Weddings.

WHAT TO EXPECT

Gavin's repertoire is heavily influenced by the 70s, 80s and 90s.

His strongest influences are from home grown Australian Rock Bands, INXS, The Angels, The Choir Boys, Cold Chisel/ Jimmy Barnes to name a few
